

Disclaimer For Applicants Requiring USA Visa

The applicants who need US Visa for the medical training program may request an assistance letter after they have been accepted into the program. They can use this letter to apply for the Visa, but no guarantee or promise has been made that the Visa will be granted. It is the sole responsibility of the applicant to acquire the Visa and make necessary travel and lodging arrangements at his/her own expense.

The Foundation for Better Education and its staff will not be responsible for the applicant not being granted Visa or any financial expense. The candidate is also hereby instructed not to overstay their Visa and should return to their home country before the expiration of their Visa. The applicant should remain and complete their medical training within the given period. The candidate should contact Immigration Attorney for further advice, as necessary.

I declare under the penalty of perjury that I have read, understood, and agreed with the above statements and will comply with the laws and policies of the United States Department of Homeland Security
